

# ETHENO

Unique lighting for architectural works and landmarks.

- Modular design offers a wide range of lighting possibilities
- Easy to install
- Sealed to IP67 with die cast aluminium body. Wide choices of sizes, mounting depth, light sources and control technologies to suit application.

OUTDOOR LIGHTING

walk Over

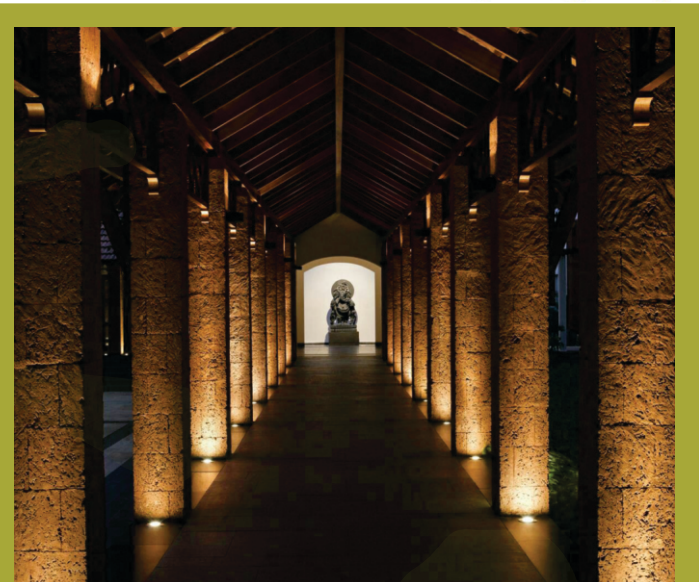

SPOT LIGHT

**Housing:** Etheno earth embedded light fitting made of high corrosion resistant die cast aluminum, silicon rubber gasket, stainless steel cover fastener, recessed box in high density polyethylene.

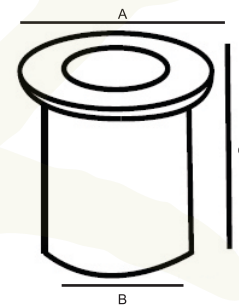

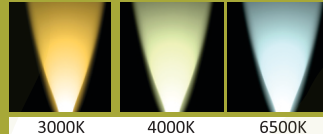

**Optical:** Diffuser made of toughened glass. Light distribution is Symmetrical or Asymmetrical.

**Electrical:** Fitting is wired with energy efficient power led having long service life, MCPCB and wide range constant current driver.

**Finishing:** Complete fitting is pure polyester based powder coated with high corrosion resistance and chemical chromatised protection.

COLOR TEMPERATURE

Drive Way, Path Marker, Building Facade, Shurb & Trees, Monuments, Columns & Landscaping etc.
