

DURG

Simple and economical LED street light for road lighting

- Combines powerful and efficient LED optic
- Optic and heat dissipater protected to IP 65
- High optical efficiency.
- Engineered for low mantainance with accessible driver mantainance
- Quality by Design to minimize your Total Cost of Ownership
- Wide range of wattage: from 30W to 100W
- Resists high temperatures (Ta 50°C)

Housing: Durg housing made from die cast aluminum closed by toughed glass and durable silicon rubber gasket. Well designed die cast aluminum housing resistant heat sensitive electrical component. The fitting is designed with very efficient thermal management system.

Optical: UV resistant acrylic enclosure and high reflective, anodized aluminum street optic. With CRI>85 and lumen efficacy of 100lm/watt giving the perfect illumination.

Electrical: Fitting is wired with very high efficient LEDs. The wattage of Led can be customized. Standard wattage are from 30W to 100 W.

Finishing: Complete fitting is pure polyester based powder coated with high corrosion resistance and chemical chromatised protection.
