

KETCH

An innovative proposal where the modern day demands of energy saving with aesthetic are common place

- PMMA Diffuser with low angle prisms eradicates glare
- Aesthetic design for Creating ambiance
- Numerous symmetrical light distributions
- Sealed to IP66 protection
- Innovative high performance optical system
- 10 KV additional surge protection device

OUTDOOR LIGHTING

GATE LIGHT

Housing: Ketch Body is made up with corrosion resistant die cast Aluminum, Stainless steel screws. Rubber gaskets are provided at appropriate location for dust and water protection

Optical: Lighting system with excellent downward symmetrical light distribution and visual appeal. The exactitude optical system gives very low glare rating, while reducing light pollution

Electrical: Fitting is wired with high efficient LED Module having long service life of 50000hrs. Assembled on MCPCB and mounted onto heat Conductive material. High quality constant current LED driver

Finishing: Complete fitting is pure polyester based powder coated with high corrosion resistant and chemically chromatised protection. Also available with multiple coats of weather resistant polyurethane paint in various color.
